2022 (2022-2023) AUTHORITY BUDGET MESSAGE & ANALYSIS

Monmouth County Bayshore Outfall Authority

AUTHORITY BUDGET

FISCAL YEAR: FROM: January 1, 2022 TO: December 31, 2022

Answer all questions below. Attach additional pages and schedules as needed.

1. Complete a brief statement on the 2021/2021-2022 proposed Annual Budget and make comparison to the 2020/2020-2021 adopted budget for each Revenues and Appropriations. Explain any variances over +/-10% (As shown on budget pages F-2 and F-4 explain the reason for changes for each revenue and appropriation changing more than 10%) for each individual revenue and appropriation line item. Explanations of variances should include a description of the reason for the increase/decrease in the budgeted line item, not just an indication of the amount and percent of the change. Attach any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item. Interest earned has gone down considerably due to interest rates. Our income from SREC's sold is increasing due to the individual SREC price holding at an average of \$225. Insurance, Professional services and our Outfall Pipe Inspections increased slightly. Overall we kept the increase to our customers to .7%
2. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital Budget/Program. (Example Consider New Development projects such as Housing /Commercial projects impact on the Authorities expenses or revenues) The economy has no direct impact on the Authority's proposed Annual or Capital Budget.
3. Describe the reasons for utilizing Unrestricted Net Position in the proposed Annual Budget and or Capital Budget, i.e. rate stabilization, debt service reduction, to balance the budget, etc. If the Authority's budget anticipates a use of Unrestricted Net Position, this question must be answered. The Authority is utilizing \$30,000 in order to be able to minimally increase the rates for our customers, the Township of Middletown and Bayshore Regional Sewerage Authority & the Borough of Keansburg, which in turn helps to maintain their rates.
4. Identify any sources of funds transferred to the County/Municipality as a budget subsidy or a shared service payments, pilot payments, or other types of contracts or agreements (Example to provide police services to the Authority etc. and explain the reason for the transfer (i.e.: to balance the County/Municipality budget, etc.). N/A
5. The proposed budget must not reflect an anticipated deficit from 2021/2021-2022 operations. If there exists an accumulated deficit from prior years' budgets (and funding is included in the proposed budget as a result of a prior deficit) explain the funding plan to eliminate said deficit (N.J.S.A. 40A:5A-12). If the Authority has a net deficit reported in its most recent audit, it must provide a deficit reduction plan in response to this question.

(Prepare a response to deficits in most recent audit report pertaining to Deficits to Unrestricted Net Position caused by recording Pension and Post-Employment Benefits liabilities as required by GASB 68 and GASB 75) and similar types of deficits in the audit report. How would these deficits be funded?

6. Attach a schedule of the Authority's existing rate structure (connection fees, parking fees, service charges, etc.) **if it has been changed since the prior year budget submission** and a schedule of the proposed rate structure for the upcoming fiscal year. Explain any proposed changes in the rate structure and attach the resolution approving the change in the rate structure, if applicable. (If no changes to fees or rates indicate (**Answer as "Rates Are Staying the Same"**) Customers are billed based on the actual flows. Estimated billing based on prior 12 months flows is used and the when the calendar year is over and the actual flows are final then a billing adjustment is done for the exact flow and rate.

1. Has each municipality or county affected by the actions of the authority participated in the development of the capital plan and reviewed or approved the plans or projects included within the Capital Budget/Program (This may include the governing body or certain officials such as planning boards, Construction Code Officials) as to these Projects?
